

We Need Your Photos!

The Public Relations Committee is responsible for producing several brochures for AKKAOA and for advertising upcoming events in local media. To be effective, both the brochures and the press releases need photographs of AKK. In the past, we've requested photos for our individual projects. For the future, though, we'd prefer to have a collection of photos so that we could select the one that was perfect for the message.

We would like photos of your AKK and your permission to use them in our publications and press releases. We prefer photos in as high a resolution as possible.

Digital photos can be emailed to Bryan Genez at alaskankleekai@genez.us. Prints can be mailed to Bryan to his address in the Directory. Bryan will scan the prints and return them to you if you request. If you require attribution – photographer, kennel, etc. – please indicate.

If you'd like examples of how we've used photos in the past, click on the "Education and Information" link on the website. Thank you very much for your help in publicizing our wonderful breed!
