

Alaskan Klee Kai Database Project Questionnaire

An effort by the Alaskan Klee Kai Association of America.

The Information will be available on-line thru a link at the AKKAOA.org website or directly at:

www.akkpedigreesonline.org

*You can view pedigrees, link pedigrees to your website
and research specific dogs. Registration to the site is required but free.
So if you have an AKK, we would like it to be included in our AKK database.
It doesn't matter if your AKK is registered, unregistered, neutered, or deceased.
Our mission is to include them all, however your participation is voluntary.*

Instructions:

- If you have a pedigree for your Alaskan Klee Kai, please attach a copy along with this questionnaire and mail to: Sharon Hari, 16372 Hollywood Lane, Huntington Beach, CA 92649.
- If you would like to include a picture you can attach a hard copy or email a digital picture to: kayron111@aol.com.
- Please supply the following information. All information that you can provide will be appreciated and be used in general reports on the breed as a whole. This information would allow us to track AKK population growth, causes of death, birth rates, health issues, distribution of sexes, breeding population and more. This can also be a tool for locating prospective stud/bitch matings.

You have the option to include all or part of the information you provide, on-line. **If you wish information NOT to be included in the online database, just put a check mark in the left hand column, next to the appropriate answer and that information will not be included on the website but will be available for statistical purposes for the breed.** All information submitted will be treated as confidential and will not be shared without your permission.
